6, Issue 1: Artist Protections in Copyright Law (Cybaris, an Intellectual Property Law Review):

Cybaris, an Intellectual Property Law Review, publishes non-student articles and student comments on all areas of intellectual property law, including patents, copyrights, trademarks, licensing and related transactional matters. The student-edited law review is published twice annually and members of the William Mitchell Intellectual Property Institutes Board of Advisors provide critical oversight to ensure the articles are of the highest academic quality. This combined effort makes Cybaris a valuable resource for legal practitioners, scholars, and lawmakers.
