Mr. Nishant Singh : War Crimes, Genocide and Crime against Humanity before purchasing it in order to gauge whether or not it would be worth my time, and all praised War Crimes, Genocide and Crime against Humanity:

This book is about the war crimes ,genocide and crime against humanity.The nuremberg trial is provided in this book along with the Rome convention of of International Criminal Court. The role Nato forces after the end of cold war is

also discussed. The book is intended for use by public in general, and by leaders, jurists, army officers in particular. The author of this book is an advocate in Delhi High Court , INDIA.
