before purchasing it in order to gauge whether or not it would be worth my time, and all praised *What Every Woman Should Know About Divorce and Custody: Judges, Lawyers, and Therapists Share Winning Strategies on How to Keep the*:

0 of 0 people found the following review helpful. VERY INFORMATIVE By Larex Croff It helped me stay several steps ahead of my manipulative spouse and I won the battle for my children! It has stories and expectations and tons of info, out of 10 books I purchased I only recommend this one along with "Hit him where it hurts"! 1 of 1 people found the following review helpful. a good read By Nicole This book is pretty good. My situation is different in that I'm not getting a divorce, only going through a custody case. However, it does have a lot of helpful and useful information regarding those issues. If you are getting a divorce and are a woman, I would highly recommend this book be read. 0 of 0 people found the following review helpful. Must read if you have children in the marriage By Customer There were things in there I knew, but other things I did not know.. Good read, need to be very informed if you are going through a divorce and dealing with a battle for the kids.

"If I sleep with my boyfriend, could I lose the kids?" "Should I make a deal--and accept less child support--in order to keep my son?" "Can a vacation without my kids be considered abandonment?" These are just a few of the tough questions that today's mothers face in a complicated, ever-changing legal system. Now more than ever, women are finding out--the hard way--just how difficult and unpredictable child custody cases can be. *What Every Woman Should Know About Divorce and Custody* is the first and only book of its kind--a complete insider's guide filled with crucial advice from judges, lawyers, therapists, and mothers who have gone through this challenging legal process. It is designed for women at every stage of divorce, and covers a wide range of legal strategies, as well as financial and psychological issues. Also includes: Choosing a lawyer Mediations vs. courtroom trials What to expect before and in court Blended families Domestic violence Risk factors for women What makes a custody agreement good or bad Dealing with your emotions Parental kidnapping possibilities Hot button issues Mothers and money PLUS an appendix of recommended reading
