Jeffery (Jeff) Lee Rosenau : When Christians Act Like Christians before purchasing it in order to gage whether or not it would be worth my time, and all praised When Christians Act Like Christians:

1 of 2 people found the following review helpful. Even if you rarely have conflicts you will love this bookBy Georgia PeachJeff Rosenau has written a great book that will help all of us who want to be ambassadors for Christ but have no

idea how to negotiate some of the surprising conflicts we get ourselves into with out hurting someone or retreating helplessly without ever discussing important disagreements. Using examples from his own and others' lives he gives practical and godly advice that will help anyone engage others on difficult topics with grace and wisdom. This can be a life changing book and would be good to discuss with a Bible study group or Sunday School class or just to read on your own. Some great examples of successful dialogue in the spirit of Christ include finding goals in common with an authority on the opposite side of the debate on sex education, having a respectful talk with an imam of the Muslim faith, and enabling siblings with opposite political views to get along well and look forward to dialogue. You will benefit from this book no matter who you are or what your background. I hope many Christian leaders and lay people will read it and learn how to model Christlike civility in our churches, neighborhoods, workplaces, families, and our challenging world of changing values.0 of 0 people found the following review helpful. Five StarsBy Deborah M.The church needs to start acting like the church. This book will help!0 of 1 people found the following review helpful. Haven't yet read it.By Paulette JoswickI haven't had a chance to read it yet but I bought it due to a very good source recommending it.

In a world of gossip, quarreling and self-centered monologues, this book seeks to prepare Christians to communicate with Christlike civility. It does so by helping Christians grow in their personal relationship with Jesus so they can be ready to respond as Christ would to people of opposing views.
