the Legal Practical Things You Need to Do When Someone Near to You Dies in the State of New York:

3 of 4 people found the following review helpful. a really awesome practical guide to settling an estateBy Samits confusing when someone passes away as it was for me, but of all the books i looked through, this one was the best in terms of telling it very simple language how to get all of a persons affairs in order from a-z, from the moment the person passes (taking care of the funeral arrangements) to executing a will and avoiding pitfalls. definitely recommend.
