Amelia E. Pohl Esq, Paul Premack J.D., Barbara J. Simmonds Ph.D. : When Someone Dies in Texas: All the Legal Practical Things You Need to Do before purchasing it in order to gage whether or not it would be worth my time, and all praised When Someone Dies in Texas: All the Legal Practical Things You Need to Do:

0 of 0 people found the following review helpful. It was in great shape.By carolynGot for someone else. It was in great shape.6 of 6 people found the following review helpful. Helpful and Informative; lots of information in 1 placeBy Follow Your BlissFirst let me say that this book is not primarily about the grief process, or what you need to do emotionally. Although a couple of chapters at the end address these issues, it is mainly about the little details that no one else tells you need to be done.This book does have a couple of typographical errors, but the practical information provided far outweighs this trivial fact. It includes info on who to notify of death, what bills to pay, whether checks received in the deceased's name after the death have to be returned, how to get a copy of a lost insurance policy, and how to locate tax records and out of state accounts. Some of it is common sense, but after the death of a loved one, it can be really difficult to accomplish even simple tasks, let alone to determine if there is insurance coverage that the survivors don't know about.The book also provides basic info on how to conduct your own estate planning and issues to be aware of.All in all, it would be a helpful book to have if you are an Executor of a Will or a Personal Representative.3 of 4 people found the following review helpful. DisappointingBy A CustomerThe death of one of my parents catapulted me into learning about the very large number of things that must be taken care of at a difficult time.

Although not uninformative, this particular book struck me as somewhat superficial and rather disorganized. The intelligent reader probably would be served better by looking elsewhere.

How to settle the estate of a Texas Resident; this book explains how to put your own affairs in order.
