Ultimate Guide For Child Custody In Virginia:

Ah, remember the oh so popular show the Brady Bunch? Well, when you stop to think about it, the Brady bunch was a blended family! I dont ever recall seeing an episode that involved the other parents (sources say the writers made Mike Brady a widower and that Carol Brady was divorced) BUT wow can you imagine the custody battles that could have been written into this show?! Coordinating mid-week visitation, overnights, extra-curricular activities and weekend schedules for six children could have been a NIGHTMARE! You may have your own Brady Bunch, or you may be thinking about ending a marriage but need to know what could happen to your parental rights. Either way, if you have questions about child custody in Virginia, this resource is available to you! This book will inform you on how courts determine child custody in Virginia. This resource covers subjects such as: - How to file for child custody in Virginia - What is the difference between legal custody and primary physical custody - What factors will the court consider in my custody case? - What are options for visitation? - Will I have to have supervised visits with my child if I am not awarded custody? - Advantages of Hiring a Family Law Attorney This Book is designed for you if you have minor children and need custody determined in Virginia.
