(author) Paul G. Haskell : Why Lawyers Behave as They Do (New Perspectives on Law, Culture, and Society) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Why Lawyers Behave as They Do (New Perspectives on Law, Culture, and Society) (Paperback) - Common:

In Why Lawyers Behave as They Do, Paul Haskell explains the professional rules that govern how lawyers behave and which permitor requireconduct that laypersons may find unethical. In his criticism of the traditional role of lawyers, Haskell proposes an alternativeand controversialmodel of behavior.
