**Michael Vandeburg : Why Marijuana is Legal in America** before purchasing it in order to gage whether or not it would be worth my time, and all praised Why Marijuana is Legal in America:

2 of 2 people found the following review helpful. Awesome Book about Marijuana rights. Never heard this before!By M. DraperI thought it would be another stupid gimmick trick that wouldn't hold water. But, I went through the ebook and read the statutes that support Michael Vandeburg's opinion and I also came to the same conclusion that he is right.The conclusion that Congress did in fact create the right to be an illegal user and one can claim these rights per their 1939 Statutes at Large, "rights and liabilities." Why hasn't this subject been talked about before? It seems crazy that Vandeburg is the first person to write about this incredible subject.I cannot wait to read his second book that he is planning to release on this subject. It sounds like another winner, Social Security: The New American Slave. Sounds like a barn burner to me.The United States government and a lot of judges are going to have some serious trouble with these statutes Vandeburg points out in this book. Currently, government lies and more lies are what support's the war on drugs. In reality it is just another way that Uncle Sam rips off a bunch of citizens and destroys thousands upon

thousands of families without due process. It makes me sick to also learn that if 6 percent of our land was used to grow industrialized cannabis hemp that America would have all the fuel it needed. Say good-bye Arab oil!!! Our oceans are full of plastic garbage and marijuana is the answer for biodegradable plastics. This is awesome information in this book! 0 of 0 people found the following review helpful. A MUST HAVE FOR ANYONE DEALING WITH THE UNJUSTICE SYSTEM WITH MARIJUANA CHARGES By Daniel Gale Michael Vandenburg Knows His Stuff And When You Read This Book You Will Know Why. 1000's Of People Are Incarcerated On Marijuana Charges. This Is A Must Have Book For Anyone Or For Anyone That Knows Someone Going Through The UnJustice System On A Harmless Plant. I Never Knew About The 1939 Statutes At Large Until I Read This Book. Michael Vandenburg Has Done All The Research And Makes It Very Easy To Use As A Defense. Out Of All The Books On The Planet. Why Marijuana Is Legal In America Is A Book Everyone Needs To Add To Their Collection. This Book Has Opened My Eyes On How Corrupt The Judicial System Really Is. Quit Feeding The Judicial Money Machine And Get This Book. A++++++

Why is Marijuana Legal in America? Dear Friends, This book lays out in fine detail our 'unambiguous conferred rights and liabilities' established by the United States Congress in 1939. U.S.C. TITLE 26, Subtitle F, CHAPTER 80, Sec. 7851(b) Effect of repeal of Internal Revenue Code of 1939(1) Existing rights and liabilities The repeal of any provision of the Internal Revenue Code of 1939 shall not affect any act done or any right accruing or accrued, or any suit or proceeding had or commenced in any civil cause, before such repeal; but all rights and liabilities under such code shall continue, and may be enforced in the same manner, as if such repeal had not been made. Why Marijuana is Legal in America gives a detailed easy-to-understand breakdown of laws and one's 'rights and liabilities'. But this book is more than an introduction to knowing one's 'rights and liabilities'. It lays the foundation and concept of a bigger picture to knowing that marijuana is just one subject of many 'rights and liabilities'. Do you know your marijuana 'rights and liabilities'? Such as, a 'natural person's' established right of 'transfer, purchase and possession' for marijuana. If you know someone in prison or BEFORE you have an encounter with the police, I urge you to read this book for them and yourself - and then lend it to a friend! Hopefully, this book leads to the industrialization of Cannabis Hemp in America. Who needs the Arabs' oil when 6% of our land will produce all the domestic oil needs of America. It is time to become well educated and take back our government from these evil-selfish-little-tyrants. Get your copy today before Uncle Sam tries to ban this book! Claim your rights, Michael
