Click look inside to find out more Disclaimer: Nick Thomas has counselled many single fathers who has troubles with writing their Wills. Many of them have trouble because they cant find a quality resource. Most of the books are too heavy filled with case study and laws that makes it hard for them to take action. This book is something different from other books on this topic. It is simplified and specially focused for single fathers.

About the Author Nick C. Thomas has been the full time General Secretary of the Anthroposophical Society in Great Britain since 1985. He trained as an electrical engineer in the Royal Air Force, serving as an engineering officer for sixteen years and, subsequently, worked in data communications for Nortel. With Lawrence Edwards and John Wilkes he researched the practical application of projective geometry. His major research interest is the development and application of Steiner's discovery of negative space to building a bridge between natural and spiritual science. He lectures widely on this and on other anthroposophic subjects.
