**John Ross Martyn, Nicholas Caddick : Williams, Mortimer Sunnucks - Executors, Administrators and Probate**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Williams, Mortimer

## Sunnucks - Executors, Administrators and Probate:

Provides detailed analysis of the law of probate and the administration of estates and how it applies in practice. Helps the user establish the legal principles of contentious and non-contentious problems and aids in the decision of the right course of action. Reproduces legislation.
