Robert C. Waters : Wills Guide for America (Self-Counsel Legal Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wills Guide for America (Self-Counsel Legal Series):

0 of 0 people found the following review helpful. A step-by-step walk through of the entire processBy Midwest Book ReviewDesigned and written for the non-specialist general reader by attorney Robert C. Waters, the Wills Guide For America is a first-rate and "user friendly" reference to planning one's own will according to proper American legal guidelines and procedures. Expressly developed for the layman by a seasoned and experienced professional, the Wills Guide For America covers the basics of estate administration, the naming an executor, the nature of trust funds, as well as featuring a step-by-step walk through of the entire process of creating a legal will, and much more. Highly recommended for every American who hasn't made a will yet, and the Wills Guide For America is a superbly crafted "how to" book to read carefully and employed confidently in creating one's own personal will and testament for the proper and lawful disposition of personal possessions, estates and legacies.

Book by Waters, Robert C.

About the Author Robert C. Waters received his JD in 1986 from the University of Florida College of Law. He is also the author and editor of a number of publications in the legal field. Prior to his legal training, he was an award-winning journalist in Florida.
