Suzan D Herskowitz : Wills, Trusts, and Estates Administration (4th Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wills, Trusts, and Estates Administration (4th Edition):

1 of 1 people found the following review helpful. BE AWARE- Limited to 2 devicesBy Tony PadillaBE AWARE- The Kindle version of this book is limited to 2 devices! This is a ridiculous limitation. I need to study at home, work and school. So, this limitation makes it less than useful. I wish that I had noticed that, before my purchase.0 of 0 people found the following review helpful. Three StarsBy EKL1015Book is pretty best up.. but gets the job done.0 of 0 people found the following review helpful. The book itself is great, extremely informative and great for classBy DragonladyThe book itself is great, extremely informative and great for class. The packaging however leaves something to be desired and the spine/front cover of the book was held together with tape. Couldn't ship back though because needed immediately for class.Definitely not as described however.

Designed with flexibility in mind, Wills, Trusts, and Estate Administration, 4e captures the complexities of modern

estate planning, while maintaining a clear and accessible tone. Organized in self-contained chapters, core concepts are reinforced by illustrations, charts, tables, and cases. This edition features a new chapter on ethics, more on modern social trends, updated case materials and statutes, and redesigned chapters so students can absorb information more quickly.
