Gerry W. Beyer : Wills, Trusts Estates: Examples Explanations, Second Edition (Examples Explanations Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wills, Trusts Estates: Examples Explanations, Second Edition (Examples Explanations Series):

0 of 0 people found the following review helpful. Useful surveyBy Thomas VincentUseful as a survey but inadequate if you need particular up to date information. It is not a do itself guide to managing an estate.0 of 0 people found the following review helpful. Will Estates ExamplesBy bookmarkThis book was exactly what I've been looking for. It gives you examples of forms that are acceptable with the courts.0 of 0 people found the following review helpful. OkayBy Kenneth GreenwellI was looking for more specifics. Much of the book did not apply to me, it is more of a 101 book.

A favorite among law students and professors alike, the Examples Explanations series is ideal for studying, reviewing and testing your understanding through application of hypothetical examples. Authored by leading professors with extensive classroom experience, Examples Explanations titles offer hypothetical questions in the subject area, complemented by detailed explanations that allow you to test your knowledge of the topic, and compare your own

analysis.
