Jennife K Moshier : Winning An Arizona Family Law Case before purchasing it in order to gage whether or not it would be worth my time, and all praised Winning An Arizona Family Law Case:

Win your Arizona Family Law case using the law, the statutes and relevant case law. If you are going through a divorce, a child custody case, child support dispute or creating a prenuptial agreement this book is for you. Educate yourself about every aspect of the court system in Arizona concerning family courts. Learn about low-cost legal services and discount legal representation options. Learn where to find valuable court forms. Lay out your case very specifically using the included worksheet.

About the Author Jennifer K. Moshier has practiced law in Arizona and California for more than one decade. She is a trained collaborative lawyer and mediator. She has represented hundreds of clients in courtrooms all over the state in divorces, child custody and child support, as well as relocations of children. Jennifer has worked with clients as far

away as Japan and as near as Maricopa County Superior Court.
