From the experts in litigation communication comes this much-requested compilation of tips for helping lawyers in

civil cases prepare witnesses for testimony in deposition and at trial. This manual is filled with tools to help you do what you will spend most of your time actually doing with your most important fact witnesses: finding out what they know, helping them think about how to testify to it clearly and accurately, and preparing them for questioning at deposition by an adverse party's attorney. This small book is packed with substance and will be your constant companion and reference.
