**Phyllis Horn Epstein : Women-at-Law: Lessons Learned Along the Pathways to Success** before purchasing it in order to gage whether or not it would be worth my time, and all praised Women-at-Law: Lessons Learned Along the Pathways to Success:

Much has changed in the ten years since the publication of the first edition of Women-at-Law. But, unfortunately, much has also stayed the same. Women are still confronting issues of promotions and equal pay, while also struggling

to maintain a healthy work/life balance. But no woman is alone in the legal profession, and *Women-at-Law, Second Edition* is the guide that proves it. Author Phyllis Epstein has interviewed over 500 women lawyers of all ages, backgrounds, and lifestyles nationwide to address how women today are meeting the challenges of competing in the legal profession without sacrificing their home and family lives as well. This updated edition includes: Wisdom and experience from women lawyers sharing their life experiences Taking a time out from a legal career and making a comeback The intricacies and rewards of juggling a personal and professional life If the option of part-time work is right, and how to make it work Updated research on topics like attrition of women lawyers, schedule demands, and the unique focus women can bring to the profession *Women-at-Law* provides women with ideas and suggestions about how to deal with their professional and personal goals and challenges and make the compromises required to "have it all" even when "having it all" can be different for each individual. You'll learn that, with some effort, a woman can redirect her career, home life, and interests in the long journey that is a successful life.

From the Publisher Includes valuable insight on: The struggles and accomplishments of women trailblazers who have paved the way for today's woman lawyer, and what you can learn from them The various "glass-ceiling" issues you may encounter, and solutions to help you break through Choices you can make to help you find satisfaction in both your career and personal life What resources you can use to effectively combine your legal career with raising a family What issues arise when you decide to take a "time out" from work, and how you can successfully re-enter the workplace And much more! From the Author "The pages of this book are filled with stories from so many women who have come to the law with aspirations of contributing to society in meaningful ways. Author Phyllis Horn Epstein has made it her mission to gather these stories and share them with women who are interested in learning how others have fared along their own 'pathways to success. [She has written] the ultimate insiders handbook for young women lawyers and 'lawyers to be,' while offering the rare opportunity for seasoned lawyers to read about their peers, connect, and recognize that they are not alone." From the Foreword by Martha W. Barnett, Past President, American Bar Association About the Author Phyllis Horn Epstein is a partner with the Philadelphia firm of Epstein, Shapiro Epstein, P.C. with over thirty years experience in taxation, corporate transactions, and trusts and estates. Ms. Epstein represents clients before the Internal Revenue Service, Pennsylvania Department of Revenue, in the United States Tax Court and the Orphans' Courts of Pennsylvania. Her practice covers tax planning, tax litigation, negotiations with IRS, business transactions and Estate planning and administration. Ms. Epstein was elected a Fellow of the American College of Tax Counsel and received Martindale-Hubbel's AV Preeminent peer review rating. She is the recent recipient of the PBA Presidential Service Award for her three years of service as Treasurer of the Pennsylvania Bar Association and is the incoming Chair of Committee on Individual and Family Taxation for the American Bar Association, Tax Section. Ms. Epstein is a member of the Pennsylvania-Practitioner Liaison Committee to the IRS. She has been a frequent speaker on tax related matters and has authored numerous articles for tax-related periodicals and is the co-author of the Tax Litigation chapters of the CCH Federal Tax Service. She recently co-authored with Earl Epstein chapters on the Personal Tax Liabilities of Corporate Officers and Directors. Ms. Epstein is married to her law partner, and they have one son.
