0 of 0 people found the following review helpful. Invaluable but expensive given its sizeBy Richard LymanThis is the case study prep book for the capstone of the CDFA exam. Very useful for study but very expensive given its size.

Case Studies (Module 4) contains two comprehensive case studies designed to teach you how to apply the knowledge acquired from the first three Modules. This book is part of a self -study course to become a Certified Divorce Financial Analyst. Exam voucher not included with this book. For more information on becoming a CDFA professional or

information on taking the course, call 800-875-1760. [www.institutedfa.com](http://www.institutedfa.com)
