**WIPO : World Intellectual Property Indicators - 2016** before purchasing it in order to gauge whether or not it would be worth my time, and all praised World Intellectual Property Indicators - 2016:

A comprehensive picture of IP activity around the world based on statistics from national and regional IP offices, WIPO and the World Bank. Covers filing, registration and renewals data for patents, utility models, trademarks, industrial designs, microorganisms and plant variety protection. Also includes an analysis of participation by women

inventors in international patenting.
