## **John C. Dernbach : Writing Essay Exams to Succeed in Law School (Not Just to Survive) 3th (third) edition**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Writing Essay Exams to Succeed in Law School (Not Just to Survive) 3th (third) edition:

0 of 0 people found the following review helpful. Quite pleased.By deenieceyBought for an ex-coworker. Quite pleased.0 of 0 people found the following review helpful. 5 stars!By Courtney MontecinoGreat book!0 of 0 people found the following review helpful. Absolute necessity for law schoolBy StephanieI have to admit, I wish I read this book in the beginning of law school and before each semester as it advises us to do. Sadly, I only found out about this book in the last year of law school. It's a simple, easy, and a quick read, so there are really no excuses to read it before every semester. It helps break things down logically so that your essays can be written in an organized, coherent fashion for law school professors.
