John C. Dernbach : Writing Essay Exams to Succeed (Not Just to Survive) before purchasing it in order to gage whether or not it would be worth my time, and all praised Writing Essay Exams to Succeed (Not Just to Survive):

0 of 0 people found the following review helpful. Quite pleased. By deeniecey Bought for an ex-coworker. Quite pleased. 0 of 0 people found the following review helpful. 5 stars! By Courtney Montecino Great book! 0 of 0 people found the following review helpful. Absolute necessity for law school By Stephanie I have to admit, I wish I read this book in the beginning of law school and before each semester as it advises us to do. Sadly, I only found out about this book in the last year of law school. It's a simple, easy, and a quick read, so there are really no excuses to read it before

every semester. It helps break things down logically so that your essays can be written in an organized, coherent fashion for law school professors.

Essay exams don't have to be a mystery. With its wealth of visual aids, examples, and practical advice, Professor Dernbach's concise guide enables pre-law and law school students to develop the strong essay-writing skills they need to succeed and feel confident taking essay exams. Now with even more visual aids to facilitate understanding, **Writing Essay Exams to Succeed (Not Just to Survive)**, takes the mystery out of answering exams, with:

- Clear and straightforward guidance--written by an experienced law school professor
- A richly visual presentation--that highlights key points
- Plentiful and practical examples--that illustrate strong writing as well as the pitfalls of essay exams
- Sample exam questions in the Appendices--that include several variations on the answer
