American Bar Association : You and Your Aging Parents: The American Bar Association Guide to Legal, Financial, and Health Care Issues before purchasing it in order to gage whether or not it would be worth my time, and all praised You and Your Aging Parents: The American Bar Association Guide to Legal, Financial, and Health Care Issues:

1 of 1 people found the following review helpful. Information about Aging ParentsBy Volunteer bluebellAs I have explored this book, I am finding a GREAT deal of information - - and by taking time, I am finding answers to all my questions so far. Very well set up to read.2 of 2 people found the following review helpful. Reference Guide for Baby Boomers and their Aging ParentsBy Rebecca ColmerThis is a great reference book that provides clear and practical tips and guidance when caring for an aging loved-one. The question and answer format makes it easy to read and understand. Some of the topics covered are:X Navigate legal issuesX Develop and implement a care planX Identify and access income and assetsX Become involved in healthcare decisionsX Choose the right supportive housing optionX Help your parent deal psychologically with his/her changing lifestyleX Manage the physical and emotional impact of caring for your aging parentThis is a good book for aging baby boomers and their parents.Rebecca Colmer, [...]1 of 1 people found the following review helpful. Excellent resource~By Julie Coburn SwickWhen my in-laws needed assistance and we live 2 days away, we really could have used this resource. Over and over again my husband and I said where is the book "Aging Parents for Dummies"?This is it! We have recommended it over and over again to friends. It stays on our coffee table as a handy resource.

An essential resource for everyone with aging parents from the experts at the ABACaring for aging parents is a complex and emotional subject, and people seek expert advice on the practical legal matters involved. In this timely new book, the professionals at the ABA provide comprehensive, clear and practical guidance on how to plan for and secure our parents financial and emotional well-being. The guide covers topics like housing, healthcare, the emotional impact of caring for aging parents, power of attorney, income, and much more.The American Bar Association is the nations leading legal authority and the largest voluntary professional membership organization in the world. With more than 400,000 members, the ABA provides law school accreditation, continuing legal education, information about the law, programs to assist lawyers and judges in their work, and initiatives to improve the legal system for the public.
