**Akeela Davis : Your Divorce, Your Dollars: Financial Planning Before, During, and After Divorce (Self-Counsel Reference Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Divorce, Your Dollars: Financial Planning Before, During, and After Divorce (Self-Counsel Reference Series):

3 of 3 people found the following review helpful. Written in clear, no-nonsense, simple termsBy Midwest Book ReviewYour Divorce Your Dollars by Achillea Davis is (a certified financial planner specializing in divorce and separation issues) is a thoroughly "user friendly" financial planning and self-help guide which is especially intended for anyone involved in a divorce or extended separation. Written in clear, no-nonsense, simple terms ideal for the non-specialist general reader, Your Divorce Your Dollars competently and expertly covers the five common models of divorce with their attendant money issues; the process of starting over with new financial realities in a single world; the financial aspect of remarriage preparations; taking the financial needs of children into account, and more.

Enhanced with an appendix of extremely useful sample worksheets for calculating one's net worth, income, as well as expense estimates, *Your Divorce Your Dollars* is very highly recommended, clearly essential reading for anyone having to deal with the financial aspects of a dissolving marriage. 2 of 2 people found the following review helpful. This book can save you a bundle! By A Customer If you are considering getting a divorce, or even just separating from your partner, you should really have a look at this book. It tells you straight up what you can expect financially and gives great advice on avoiding some of the mistakes people often make. There's good advice in here even for people who have already divorced.

- Understand exactly how divorce will affect you financially
- Negotiate the settlement that is right for you
- Discover how to preserve your security
