Great Source of Inspiration and InsightBy dwgodbyWhat a wonderfully written book by, author Michael W. Palumbos. His book, "Your Family Legacy" gives the reader "32 ways to preserve your family's 'wealth' for generations. Author Palumbos helps describe that having money isn't as important as knowing how to make it, therefore if one should lose their wealth they still know the formula on how to rebuild their financial status. He indicates that money, values and knowledge are great assets to pass on to other generations.Author Palumbos gives great wisdom and insight in how a family can help themselves as well as others. While there is a view of helping others, there is also the need of helping oneself first so that individual can in fact truly help others. The book is broke down into four basic areas: 1) Family Wealth, 2) Family Business, 3) Family Values and 4) Family Legacy. The author very well states how a business will not succeed if the focus is on the family's needs rather than the needs of the business. There is also the importance of making sure the values of the family are passed down as far as the seventh generation.I found this to be a very inspiring and rewarding book. If you are looking for ways to make yourself and your family better and stronger then this is a book you won't want to miss. There is also a great list of resources at the end of the book to provide the reader with additional material to make wise decisions for their future.3 of 3 people found the following review helpful. A Few Words on Micheal Palumbos Family Legacy BookBy DoctorRadadotcomI love that Michael is taking family money and family legacy to a different place than I have seen. I have always known that I didn't necessarily grow up learning the best way to handle money or finances in general. Much less how to teach my two teenagers to do a better job (especially at their age) than I did! I really love that this book isn't just about financial secrets techniques, it's actually a lot about family dynamics and how we can communicate better around money and legacy topics. Great book Michael. It is inspiring and gives me hope for something better for my family and me. Thanks.

Family, wealth and legacy are really what it all boils down to, isn't it? Did we love and were we loved? Did we acquire wealth, whether tangible, relational or spiritual? Did we make a difference? Your Family Legacy is a simple and easy read designed to get you thinking about retirement, estate planning and passing your 'true wealth' to the next generation. When we talk about wealth we include not only money and our assets but everything that is important to us....our values, our knowledge and our family business. The goal of this book is for every reader to walk away with one new idea that you can use to create, grow, keep and share every form of wealth that is important to you. One idea that you implement for generations to come.

About the Author What others are saying about Your Family Legacy: "It's fun, succinct and full of useful ideas." ~James 'Jay' Hughes Jr. author of Family Wealth Keeping it in the Family and Family: A compact Among Generations "As we are planning to leave behind our valuables, it is important to also leave behind our values. Michael Palumbos gives us important things to think about as we plan the transfer of wealth and wisdom." ~Jim Stovall, author The Ultimate Gift, The Ultimate Life, and The Ultimate Journey "Most of us don't live very intentionally, and few people take the legacy question seriously. Read this book! Your family has incredible potential. This book will allow you to see that like never before." ~Matthew Kelly - New York Times bestselling author of The Dream Manager "We all desire financial security for ourselves and our children. At the same time, we aren't interested in our wealth becoming a disincentive for our children to work, set goals and succeed on their own. It's a delicate balance and Your Family Legacy emphasizes that delicate balance and provides wonderful ideas to help us avoid the issue. Michael Palumbos presents an insight to wealth and families that is highly impactful and still simple and understandable." ~James Malinchak, featured on ABC's Hit TV Show, "Secret Millionaire" Co-Author, Chicken Soup for the College Soul, Founder, www.BigMoneySpeaker.com "This wonderful, practical little book will bring a greater feeling of unity and belongingness to your entire family." ~Brian Tracy, President, Brian Tracy International Michael Palumbos is a second generation family business owner, husband to Victoria and father to seven whacky and incredibly fun children. Thus the reason why he loves working with families serious about avoiding the shirt-sleeves to shirt-sleeves in three generations syndrome that befalls more than 70% of families.
